RESOURCE LIBRARY TOOL #300-3
FUNDING POTENTIAL WORKSHEET

Directions: Score your responses to the questions below as they relate to your <u>specific</u> project. For YES responses, insert 1 point. For NO responses, insert 0 (zero) points. Calculate the total score and refer to scoring key below.

Project Name: _____

Does Your Project:

_____ Incorporate a renewable energy technology?

_____ Serve a tribal community?

_____ Serve a rural community? (less than 20,000 pop.)

_____ Involve a research or demonstration project?

_____ Involve the use of emerging or innovative technologies?

_____ Involve an emerging technology that hasn't yet been empirically tested?

_____ Involve community partnerships?

_____ Create jobs in the long-term?

_____ Create jobs in the short-term?

_____ Stimulate development or revitalization?

_____ **TOTAL SCORE**

Scoring Key: 0 – 3 = Low likelihood of funding potential

4 – 8 = Good likelihood of funding potential

9 – 11 = Strong likelihood of funding potential
